

DEMONSTRATIONS AND STRIKES

The Board of Education of Raleigh County recognizes that it is the local entity responsible for elementary and secondary school education and that educational leadership rests with the Board, its administrators, the school principals, and teachers.

We recognize the right of pupils to dissent peacefully so long as the day-to-day educational process is not disrupted or hampered.

When such dissent includes violation of the rights of other pupils to an education, or involves force, threat of force, or actual law violation, those responsible can be suspended from school, pending due process. If necessary, law enforcement agencies may be called to ensure orderly conduct.
