

F. COMMUNITY RELATIONS

ADVERTISING ON COUNTY PROPERTY

The Superintendent shall approve the distribution or placement of advertising by outside businesses, agencies, and community organizations in the schools or any property owned by the Raleigh County Board of Education. Profit organizations, businesses, or agencies which are profit organizations will not be approved to distribute advertising.

The intra-county mail system will not be approved for distribution of advertising for any business or agency that is a profit organization nor shall the Central Office staff mail boxes be used for distribution of such materials. However, businesses that wish to offer discounts or other special offerings to school personnel may be provided a list of schools whereby those businesses may mail materials directly to each work site and those materials may be shared with employees at the discretion of the supervisor.

The Principal shall have the authority to approve and make arrangements for teacher and service personnel service organizations that wish to make themselves available to personnel. However, they should be allowed to only make contact with employees before or after school hours or during lunch periods or planning periods.

The Principal shall have the authority to approve and make arrangements for businesses providing services to personnel, such as insurance companies, annuity companies, etc., provided they have been approved by the Business Office for payroll deduction. However, they will only be approved to make contact with employees before or after school hours or during lunch period or planning periods.
